Your Community CHURCHES

Welcome YOU . . .

Our leading churches have interesting and important activities going on all through the year. No week passes without compelling reason for you to support these activities, which mean so much to the spiritual life of the community.

In many churches, this season of the year it is REVIVAL MEETING TIME! This is an annual activity and not only does it bring the religious appeal to the public, but "Revival Week" at the old Family Church often becomes the occasion of family reunions and other family gatherings to renew the ties that bind us one to another.

Our churches are a tremendous factor in the life of the community. In modern times our religious life embraces much more than the formal worship services. The church is at our side at all times to train the children, to instruct the teen-age to guide young people, and to comfort and strengthen the adult.

As business people in the community, we appreciate the work being done by our churches. We urge you to support them. They need your support. But, even more than that, YOU need the Church!

The modern community is a composite of many activites. The church ranks as one of the most important. But there are also the schools, the civic clubs and organizations. And...then, too, there is Local Business. Local Business contributes greatly to the support of all these activities. When you support your local business you are supporting your home community in all of its varied and worthwhile programs. That is why we take pride in making Local Business meritorious of your support. You will find Appomattox to be a friendly and modern place in which to do business. Whenever you are in need of business service, we invite you to TRY APPOMATTOX FIRST. It will be to your advantage.
